

Hybridize Your Vehicle for Independent Agent

As an agent, you will work as an independent contractor. You will provide your own vehicle, cellphone, clothings, office space at home, etc. You will not have any set schedule. Your income and, most important, your expenses will be written off and applied to your own income tax . You will earn commission based on your referrals. Your main duty will be to market our financial products and keep your receipts.

As soon as you sign up, you will receive access to the AGENT PAGE where you will find a 6 page manual with facts about the IRS and why by “Hybridizing Your Vehicle” you will make more than \$3000 even if you do not earn a single commission.

You will get marketing tools as well as all the necessary forms to start working right away.

You will get 500 business cards with your name,contact number and rep code. You will get an email which can be forwarded to your personal email if you wish. Though you can access your inbox anywhere at anytime wherever there is internet

You will have access to a CRMS (Customer Relationship Management Software) so you can keep track of your clients and commission.

You will get 50% on any financial service that “you, personally” required.

And much more.

Please add the REP/COMPANY CODE when signing up to receive any additional promotion.
