

## Hybridize Your Vehicle for Companies

As a company, you will work as an Independent enterprise. You will provide your own vehicle, cellphone, clothings, office space at home, etc. You will set your own schedule. Your business income and, most important, your business expenses will claimed on form 1120s and will be written off and applied to your own income tax on a K-1 form. You will earn commission based on your referrals. Your main duty will be to market your hobby and/or our financial products and keep your receipts. You can classify yourself as 1099 or W-2.

As soon as you sign up, you will receive access to the COMPANY PAGE where you will find a 6-page manual with facts about the IRS and why by "Hybridizing Your Vehicle" you will make more than \$3000 even if you do not earn a single commission.

You will be able to hire agents under your marketing company and set the commision plan.

You will get marketing tools as well as all the necessary forms to start working and employing right away.

You will get a logo and business card template with your company name,contact number and company code. You will get an company email which can be forwarded to your personal email if you wish. Though you can access your inbox anywhere at anytime wherever there is internet

You will have access to a CRMS (Customer Relationship Management Software) so you can keep track of your agents and clients to pay and receive the commissions.

You will get 50% on any financial service that "you, personally" required.

And much more.

Please add the REP/COMPANY CODE when signing up to receive any additional promotion.
